ABOUT US

Urban Hands, a sister concern of Bharani Group, is an MSME certified company involved in all activities pertaining to Facility Management, Training and Development. Started as away to bridge the gap between skill and requirement, we coach students and professionals with effective customized training programs to enhance their skills and guide them to climb the career ladder in any field of their choice and interest.

We provide quality training to handle interpersonal relations, take appropriate decisions, communicate effectively and create an impact to gain professional development. With a wide range of innovative solutions in the field of training and development, we offer services to all types of sectors and carry experience and expertise at its best.

SERVICES

Soft skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability and lead teams.

In essence, they are essential for your success in the workplace. Lack of soft skills can limit your potential, or even be the downfall of your business.

By developing strong leadership, delegation, teamwork, and communication abilities, you can run projects more smoothly, deliver results that please everyone and positively influence your work-life.

We offer services to all sectors and carry expertise at its best. Every training program is different and the set of skills deployed under each of them are distinctive from the other catering to the specific requirements of the client.

Following is the list of services provided by us:

SERVICES

EDUCATIONAL INSTITUTIONS

Urban Hands aims to be a guiding light to students by giving them a road map to make wise career choices and match their skills with their requirement. The three segments covered under this training program would be: Placement Training, Train the Trainer and Individual Training.

CORPORATE TRAINING

The current corporate world is such that it requires every individual to turn into a skilled and competent professional.

Through this program, Urban Hands aims to train every working professional to create a personal brand in the corporate set-up. We provide our clients with all the essential skillsets required as a working professional.

HEALTH SECTOR TRAINING

Day in and day out, nurses and administration staff have a hard time in dealing with patients because they fall short of skills required as a health practitioner or a caretaker. Urban Hands provides this exclusive training program for practitioners and caretakers in the health sector with the aim to help them foster collaboration and serve their patients with ease.

URBAN HANDS CERTIFIED COURSES

In the cutthroat competition that exists in today's organizational setting, it is necessary for every individual to specialize in certain selective skills based on their needs and requirements. Urban Hands has designed the program of certified courses for clients who want to enhance their skills to improve their overall professional image and climb the ladder of success.
